

Pranzo Italian Grill

Located just 150 yards from the terminus of the New Mexico Rail Runner on the western edge of the Historic District just off Guadalupe, Pranzo Italian Grill has been a local favorite restaurant since 1988. In the Geist Cabaret on the Terrace level overlooking Santa Fe, David Geist, a veteran of 600 performances of "Cats" on Broadway, performs nightly. Pizza, pasta, osso buco, NY strip sirloin and lobster gnocchi are some of the favorites, and there's a kids' menu to boot.
